Up against it today with regular captain Luke, goalkeeper Myley, and defender Rio all out injured it mean the team was very thin going in to the days fixtures with only 5 players available. Adam stepped up and did an incredible job – winning tackles throughout and also linking playing to give Josh and Shane further opportunities further up the pitch. Daniel made multiple vital tackles in order to minimise the threat of the opposition. Whilst, Liam played both in goal and out pitch admirably.

Adam and Shane also both went in goal for a game which epitomised the overall team effort. Finally, Josh and Shane were both on absolute fire and combined to score a huge 9 goals between them in only 5 games. We are very close to the top of the league and looking both strong and hungry for that title!

On a cold and windy day the Boys B team were faced with the task of protecting their position at the top of the table. With an unfamiliar team, and few new opposition teams to play, it took some time for the players to get going. The team lost their opening game 1-0, losing to a well worked goal from the opposition. The boys drew the next three games after taking the lead in two of them. The goals of the day were scored by team captain Chinedu, and goal machine Andrei.

The girls' team consisted of Kayleigh, Sophie, Rosina, Chloe, Louise, Tenisha, Jessica, and Emily. Everyone was excited to play together and the team started off very well beating Philip Southcote 2-1. Next was Blossom Hill, we rotated the girls, Sophie was in goal and made some fantastic saves, at full time the girls had won 2-0. Our third game was against Bensham Manor with Sophie in goal and Kayleigh as a defender we stopped all attempts on goal and finished winning 2-0. Our final game was always going to be the hardest match as the girls had previously played Cornfield, despite some great attempts at scoring from Louise, Jessica and Chloe we lost the match 3-0, however Sophie did manage to stop 2 other attempts on goal.

Goal scorers were Chloe and Louise. We decided to nominate a players player and Chloe received the most votes. My Coaches player goes to Kayleigh for some fantastic defending, challenging the opposition and for given it 100%.

Well what a difference a term can make! The boys were nervous before starting today's fixtures and had asked to move down a league because of the high level of competition. However, we stuck to our guns and stayed in the highest possible league against the best teams around. With the addition of newly joined Kain we started on the front foot – smashing 2 early goals past Wandle Valley (a team we had never beaten in 3 attempts). We were then up against Nightingale (the best team in the competition) and despite having a few efforts on goal went down 3-0. We then faced Blossom House and showed we were more than a match for the Premier League. Some poor concentration in the 4<sup>th</sup> game cost us against Wandle, but we then found a strength of character that I have seen from this group to come from behind twice against Nightingale as Brandon scored a last minute winner. Blu was fantastic in defence, JP made numerous amounts of saves, Brandon was captain fantastic and led the team amazingly, George chipped in with two goals, whilst Mitchell linked play admirably. Finally, Kain proved to be the cherry on the top by being the difference in many vital games on the day. Very proud of you lads!

Carew B football team played a tournament at GOALS, the boys started the tournament very well, winning the first game comfortably.

The second game was very intense and the boys fought back from 2 goals behind to secure a draw, the game ended 2-2. Unfortunately, the boys lost their third game 1-0, but showed great sportsmanship and heart. The fourth game was a tough battle the boys scored first, but unfortunately they went down 2-1 with a late goal at the end. The final game was a great game to watch, they played as a team and really enjoyed themselves, winning 3-1.

The boys showed great teamwork and sportsmanship throughout the day. A pleasure to watch and see their improvement.
