

# NEW CAREW ACADEMY

## September 2023

Dear Residents,

Please see below the progression of our work for August 2023:

Formed 5no parking bays at the site entrance. Awaiting inspection from London Borough of Sutton to hand over.

Install CBGM across the building footprint. This is to facilitate safe platform to install steel frame.

Installation of kerb lines to form the main car park for the school.

Installing storm and foul drainage across the site.

## Works to be Completed

During the month of September, we will be carrying out the following activities:

- Tarmac to main entrance car park.
- Install perimeter gates to permanent fence.
- Commence steelwork.
- Continue with foul and storm drainage.

Trial run off steel delivery vehicle was undertaken successfully prior to steel install. Please be aware that these types of vehicles will be coming into the site for the next 6 months. We request that you do not park cars on the yellow lines as this will impact the safety of the transit route.

**Andy Plail**  
Senior Project Manager  
Kier Construction

## Site operations hours

8am to 6pm – Monday to Friday

### Kier project office

Our site offices are located off Headley Avenue if you wish to pop in to discuss any of our works.
